

# Independent Providers of DDD Services

A moratorium on new Independent Provider Agreements (IPAs) for direct care services is in effect. Exceptions to this moratorium may be made only if the Division identifies a network need in a specific geographic area and approves an exception. If you are interested in work with a Division member, please search our [Provider Directory](#) to assist you in finding and contacting Qualified Vendors who are employers of direct care professionals.

Questions about the moratorium may be directed to DDD Provider Relations at 1-844-770-9500 or [DDDCustomerService-Providers@azdes.gov](mailto:DDDCustomerService-Providers@azdes.gov)
